

In Our Town
William Allen White

Some humorous, some heartwarming, some heartstring-pulling stories from the newspaper office of a small Kansas town, "in that part of the country called the West by those who live east of the Alleghenies, and referred to lovingly as 'back East' by those who dwell west of the Rockies. It is a country town where, as the song goes, 'you know everybody and they all know you,' and the country newspaper office is the social clearing-house."
